Feedback:

Congratulations - you passed the Alteryx Designer Core Micro-Credential: General Knowledge certification exam!

If this is your first time passing this exam, you will need to accept your digital badge! Please be aware that it can take **up to 48 hours** to receive an email from admin@Credly.com to accept your badge. Once you receive the email, click on the link and create your Credly account. Accept your badge and start sharing! Learn more about digital badges [here](#).

If you haven't seen your email from Credly after 48 hours, be sure it wasn't caught in your junk folder.

Additionally, if this badge completes the Core Micro-Credential series (yay!!), your full Core badge will be issued from Credly within 72 hours of passing.

If you have just recertified, you will not receive an email from Credly; however, you will notice the expiration date on your Credly badge to be updated.
